- Large and Small Seed Boxes
- Calibrate seeding rate based on seed type and quantity desired
- Fluted seed cups for precision seeding
- 5 ft wide; perfect for small pastures and hay fields
- Comes with multi- angle cultivator and rear spike roller

Fee Information

Rental Fee – \$80/day. Payment is due upon completion of use. An interest rate of 1.5% per month will be charged on delinquent bills (payment is delinquent after 30 days)

Cleaning Fee – \$50/hour with a minimum of 2 hours. Cooperator will thoroughly clean the drill prior to returning it. The cooperator may also rent a shop-vac or leaf blower to aid in cleaning. Fee applied if equipment is returned unclean

Assistance Fee – \$50/hour with a minimum of 2 hours. An optional charge for District assistance in transporting equipment to cover vehicle and labor.

Delay of Use Fee – \$80/day. Use of the APS will be on a first-come, first-served basis. If delays result due to poor drill utilization, a minimum charge will be assessed until the drill is made available for the next cooperator. Any reduction on the assessed charge can be appealed at the next Conservation District Board Meeting.

Damages Fee – Charges will be accrued if equipment is not properly secured during transport, not properly maintained, or used inappropriately. Charges may also be applied if equipment is accidentally damaged. Broken equipment can be assessed on a percentage of wear determination or replacement

Maximum speed for operating the APS is 4 miles per hour

Additional Information

- Prior to use, the District must complete a site visit to determine acreage and feasibility before the application will be accepted. This includes identifying adverse ground conditions like rockiness and debris.
- Cooperator must provide proof of insurance prior to taking possession of the drill
- Cooperator must report to the District the total acreage completed
